BOOK SYNOPSIS

A Young Peoples History of the United States brings to US history the viewpoints of workers, slaves, immigrants, women, Native Americans, and others whose stories, and their impact, are rarely included in books for young people. A Young Peoples History of the United States is also a companion volume to The People Speak, the film adapted from A Peoples History of the United States and Voices of a People's History of the United States. Beginning with a look at Christopher Columbus's arrival through the eyes of the Arawak Indians, then leading the reader through the struggles for workers' rights, women's rights, and civil rights during the nineteenth and twentieth centuries, and ending with the current protests against continued American imperialism, Zinn in the volumes of A Young People's History of the United States presents a radical new way of understanding America's history. In so doing, he reminds readers that America's true greatness is shaped by our dissident voices, not our military generals.

A YOUNG PEOPLES HISTORY OF THE UNITED STATES COLUMBUS TO THE WAR ON TERROR FOR YOUNG PEOPLE SERIES - Are you looking for Ebook A Young Peoples History Of The United States Columbus To The War On Terror For Young People Series ?
