BOOK SYNOPSIS

They were made to forget. But theyll never forgive. Everything about Annas life is a secret. Her father works for the Branch, at the helm of its latest project: monitoring and administering treatments to the four genetically altered boys in the lab below their farmhouse. Theres Nick, solemn and brooding; Cas, light-hearted and playful; Trev, smart and caring; and Sam . . . whos stolen Annas heart. When the Branch decides its time to take the boys, Sam stages an escape. Annas father pushes her to go with them, making Sam promise to keep her away from the Branch, at all costs. On the run, with her fathers warning in her head, Anna begins to doubt everything she thought she knew about herself. She soon discovers that she and Sam are connected in more ways than either of them expected. And if theyre both going to survive, they must piece together the clues of their past before the Branch catches up to them and steals it all away.
