BOOK SYNOPSIS

This completely revised edition reflects all of the new question types that appear on the NEW SAT, first administered in Spring 2016. This book contains a diagnostic test and four full-length practice tests with all questions answered and explained; an overview of the SAT, an explanation of the tests scoring method, and study advice; test-taking tactics for the exam as a whole; subject reviews covering all of the sections of the new test; and, detailed instruction in writing the optional essay
