BOOK SYNOPSIS

A highly respected, balanced, and thoroughly modern approach to US History, LIBERTY, EQUALITY, POWER, uses these three themes to show how the United States was transformed from hunter-gatherer and agricultural Native American societies into the most powerful industrial nation on earth. This approach helps students understand the impact of the notions of liberty and equality, which are often associated with the American story, and also how dominant and subordinate groups have affected and been affected by the ever-shifting balance of power. The text integrates the best of recent social and cultural scholarship -- including fun material on music and movies -- into a political story, offering students the most comprehensive and complete understanding of American history available. Available in the following split options: LIBERTY, EQUALITY, POWER, Sixth Edition (Chapters 1-32), ISBN: 978-0-495-90499-1; Volume 1: To 1877 (Chapters 1-17), ISBN: 978--495-91587-4; Volume 2: Since 1863 (Chapters 17-32), ISBN: 978-0-495-91588-1. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

CENGAGE ADVANTAGE BOOKS LIBERTY EQUALITY POWER A HISTORY OF THE AMERICAN PEOPLE VOLUME 2 SINCE 1863
