- ISBN : 1572229373

## BOOK SYNOPSIS

Reflexology is a form of massage that involves the feet and works by applying pressure to particular areas of the foot. Each specific area on the sole of a foot is aligned to a particular area of the internal or exterior of the human body. By applying pressure to a specific part of a foot, clients will feel relief from health conditions. A reference guide is a great gift for students learning about reflexology in a massage school. Reflexology: Study Guide

**REFLEXOLOGY QUICKSTUDY ACADEMIC** - Are you looking for Ebook Reflexology Quickstudy Academic ?
