BOOK SYNOPSIS

Substance Abuse and Addiction Treatment shows how to help clients struggling with addiction by looking through the lens of counseling theory. After tackling basic concepts of substance abuse and dependence counseling, it looks at different counseling theories and how each supports the client with substance abuse issues. Offering more how-tos than most books, the author provides concrete descriptions of counseling theory in action, so readers know how to intervene during a real counseling session. A consistent case study is used throughout the entire book to illustrate different treatment approaches and techniques. 0133411117 / 9780133411119 Substance Abuse and Addiction Treatment: Practical Application of Counseling Theory Plus NEW MyCounselingLab with Pearson eText -- Access Card Package consists of 013254265X / 9780132542654 Substance Abuse and Addiction Treatment: Practical Application of Counseling Theory 0133390721 / 9780133390728 NEW MyCounselingLab with Pearson eText -- Standalone Access Card -- for Substance Abuse and Addiction Treatment: Practical Application of Counseling Theory
